## BASC CHAIRPERSON REPORT

Good Morning to all GSR's, GSR Alternates and Board Members.

The BASC is still in need of trusted servants. The following positions are open, Alternate Secretary, Hotline Chair, Alternate RCM, and Alternate Web Servant. If you or someone you know is interested, we are still accepting nominations.

We had our monthly Executive Board meeting where we meet every 3<sup>rd</sup> Thursday from 5:30-6:45 pm here at the service center. During such time an ADHOC Committee was established to address the concern of one of the meetings in our area. Members of that committee went to observe and sit it on the meeting. In that, we have discovered that the meeting Strong Connections is in need of support; this includes trusted servants as well as literature.

Our BASC Secretary, Vice Chair and I attended MARLCNA in Lancaster, Pennsylvania last month. It was an awesome experience to network and embark upon new area relationships. we are looking forward to attending upcoming events and conferences to expand our mutually rewarding relationships.

Respectfully submitted,

Stephanie G. BASC Chairmana

Greetings and welcome to all. Thank you for your love and commitment in your efforts to serve the BASC & the fellowship of Narcotics Anonymous

Tradition 5 (abridged)

Each group has but one primary purpose- to carry the message to the addict who still suffers.

...Each of us matters in Narcotics Anonymous. It can take time to believe we are valued. Our trusted servants are also addicts who sometime suffer, and treating them like bad employees won't get the message carried to them or through them. Being able to address a member as a suffering addict rather than a problemor as just the service position they hold- allows the dynamic to change from bitterness to empathy.

Allowing someone their dignity when they're doing wrong gives them the space to recover even as we hold them accountable. We carry a message in the way we address challenges and problems. Tradition Five reminds us that our first job is to make sure our trusted servants can keep coming back, no matter what.

## <u>ACTIVITIES</u>

- Saturday 02/10/18-02/11/18- Attended MARLCNA (filled- in for RCM)
  - ✓ Saturday's meeting attended the NAWs workshop. The board members discussed the CAR report:
    - South Florida Motion on the (FIPT) Fellowship Intellectual Property Trust;
      - Received inspection request
      - Sent letter asking for clarity of the request and concerns; esp., cost & scope
      - Most of the request seems to be driven by a desire to see the financial details rather than by a concern about the manner in which the fellowship's recovery literature is handled.

# Baltimore Area Narcotics Anonymous BACNA Liaison Report 03/03/18

Greetings and salutations to the Baltimore Area GSR assembly.

Once again I want to emphasize that this year 2018, is the Baltimore Area's Convention year. As such it is our duty as members of this area to support our convention and everything connected to it. That includes fund raising speaker jams and especially the biggest and primary Fund Raiser - March Madness.

March Madness will be held on March  $17^{th}$  at the Bard High School Early College, 2801 N. Dukeland Street (the old Lemmel Middle School). It will run from 11 AM to 1 AM. There will something for all to participate in. Speaker Workshops from 12 noon to 8 PM; a basketball tournament that starts at 12 noon; board game tournaments (dominoes, chess, pinochle & spades) from 3 PM and last but not least a dance from 9 PM to 1 AM. There also will be a variety of food items on sale at modest prices and various other items (tee shirts and gift cards) on sale too. A full day of events and activities for the small donation of \$10.00. You have never gotten so much for your money! This is the premier spring event in the Baltimore Area leading up to the convention which is June 22 - 24, 2018 to be held at the Delta Hotels by Marriott Hunt Valley. This will be the last opportunity to pre-register at the pre-registration price of \$25.00. Make sure you add this to your calendar of things to do, the place to be on the third Saturday in March.

I would be remiss if I didn't request your individual help in working to make the convention a success. There are a number of positions that need to be filled by Area members toward that goal. Committees are in dire need of trusted servants and there will ample opportunity at March Madness to sign up on the committee of your choice.

Dedicated to Service,

Thomas C. 443-835-0592

Literature Chair: Curtiss C. 443-602-1753 Literature Vice Chair Milton W. Committee Members Kim H & James A

## Greeting all,

I would first like to thank each and every one of you for giving me the opportunity to serve you. I would also like to thank Milton W. Kim H. and James A. for stepping up and agreeing to serve on the literature committee. We are still in need of trusted servant to serve on the committee, if you or you know someone who may be interested let me or Milton know. The literature committee meet every third Tuesday of the month from 4:30 pm-5:30pm right here at the service center. Remember "SERVICE IS NOT A POSITION, IT'S A POSTURE OF THE HEART" (Living clean pg. 242)

On Thursday 2/15/18

I met with the Baltimore area executive body.

On 2/17/18

I attended the Free State Region and Subcommittee meeting. The Free Region literature committee is asking the areas to get out the literature and information to their respective areas, such as the CAR and CAT tally sheets. We are also asking for help getting a more accurate meeting schedule, if you know of any meetings in the meeting schedule that is not open let us or our public relations committee know. We also have meeting schedule change forms to fill out if your group has any changes. Thank you.

On 2/20/18

The Literature committee met. We would like to keep the Baltimore area informed of what's going on in the region. At this time we have the CAR and CAT tally sheet. There are 980 meeting listed in the Free State region meeting schedule and the last time we did the CAR and Cat report only 118 home groups turned in tally sheet, let beat that number this time. Go back to your home groups and fill out the tally sheets and turn them in by April.

Together we can newsletter committee met to update the newsletter

Keep in mind if you know of any meeting changes in the area to let us know or fill out a regional schedule update form and make sure you put down your contact information. Milton and I will verify the information. Please try to encourage members to get involved with the Together we can newsletter. We can use some new reader writes and answer to the questions of the months. (What are your plans to keep recovery a priority in your life?) If you have any poems or anything related to recovery and want to put it in the newsletter let Milton or me know, and make sure you sign a release form.

Thank you. Submitted by Curtiss C. Literature Chair

Good Afternoon everyone Welcome to March At this time I have no NA business to report at this time I'm still in the discovery mode as your web-servant. In the very near future I will be reaching out to various other web-servants in the area in order to improve my efficiency to better serve you, in closing I would hope that all members of Narcotics Anonymous at sometimes would visit the website (<a href="www.baltoareana.org">www.baltoareana.org</a>) in order to make suggestion's and or point out errors and make changes that I may have over looked, Thanks for our time, and thanks for allowing me to serve

Web-Servant Franklin G 443- 803-8814

# Greetings family,

It's my hope that this finds you all in the best of health and spirits. I would like to begin this report with my attending Regional on committee meeting, there were three **B**R chairs as well we discuss various events that were upcoming. The regional PR chair was not in attendance and there wasn't any communication from my voice chair left, an email and text message on February 11th and a follow up on February 19th. The next Saturday off month Regional committee meeting we will be in attendance in order to address this issue, will be revealed more. We had a new group willing to believe 3300 Ardendale Avenue that began Saturday, February 6th . Two or three attended the group with the secretary and GSR, we then gave them a voucher for the starter kit Wednesday, February 28th, w attended the presentation of Narcotic Anonymous to the University of Maryland School of Dentistry, it was very well attended with approximately 117 students, Dr. Myslinski the presentation was very successful. We had three knowledgeable speakers that spoke sharing their experiences, strengths and hope, we also had 50 copies of a survey we conducted to see if there was anything we can do to enhance this presentation moving forward we will take these surveys and consolidate them to make them ready in a report next month. The upcoming month, March will be attending, March Madness to set up a display board NA literature, there are many other ideas we have for the coming months ahead.

Thank you for allowing me to serve Tony S Chair

- NA is not a drug specific program, but has a universal appeal to all who have the disease of addiction
- Historical Background
- Adapted from AA: Regular NA meetings started in Los Angeles, California in 1953.
- Explosive growth coincided with the publishing of the book Narcotics Anonymous in 1983.
- By 2007, over 43,900 meetings in over 127 countries speaking 65 languages and has continued constantly

What is NA? – A Vital Resource

- Therapeutic value of one addict helping another peer support network.
- Benefits to the professional.

Thanks to all our speakers today and to all of you who made this possible
