NUMBER	AMOUNT
--------	--------

1. Deduct all bank charges from your checkbook.

2. All checks issued from your personalized checkbook are passed numerically (as issued). Sort your checks numerically.
3. Check off on the stubs of your checkbook each check listed as paid by the Bank and make a list of the numbers and amounts of those still outstanding in the spaces provided at the left. Be sure to include all checks still outstanding from your previous statement. To the sum of the outstanding checks add the balance as shown in your checkbook.
4. List below all deposits which do not appear on the statement and add to this total the balance as shown by the statement.

The two results should agree and if so, this statement as rendered is correct.

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem occurred.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days (or more than 20 business days for an error occurring within 30 days after the first deposit was made to the account) to do this, we will recredit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice.

Your Demand Deposit Loan Account is operated in conjunction with your Demand Deposit Account. Any charges for your checking account will be made to the Demand Deposit Account and they will be the same charges as are made for Demand Deposit Accounts not operated in conjunction with Demand Deposit Loan Accounts. The following information thus applies only to loans made to you under your Demand Deposit Loan Account line of credit.

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- (1) Your name and account number.
- (2) The dollar amount of the suspected error.
- (3) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any money in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

We figure a portion of the FINANCE CHARGE on your Demand Deposit Loan Account by applying the "average" daily periodic rate(s) to the "Daily Balance" of your account for the billing cycle. To get the "Average Daily Balance" we take the beginning balance of your account each day, add any new advances, and subtract any payments or credits and unpaid FINANCE CHARGES. This gives us the daily balance.

The minimum periodic payment required is shown on the front of this bill. You may pay off your Demand Deposit Loan Account loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and second to the principal loan balance outstanding in your Demand Deposit Loan Account. Periodic statements may be sent to you at the end of each billing cycle showing your Demand Deposit Loan Account loan transactions.

Send payments and inquiries to address shown on front of bill.

NOTE: Payments received after close of business shall be deemed received on the following business day for purposes of crediting your account.

If you request the return of your original checks you may receive a "Substitute Check" in response. The Substitute Check is the legal equivalent of an original check and you have rights that apply when you believe, in good faith, that a Substitute Check was not properly charged to your account. Contact your branch or call the number on the front of this statement to request a Check 21 disclosure.

IMPORTANT: Every statement should be checked with your own records. If no errors are reported within 60 days, your account will be considered correct.

BASC Public Relations Subcommittee Report

October 7, 2023

Good afternoon, Baltimore Area Service,
Executive Committee Members, and
Group Service Representatives (GSRs) –

❖ How to Start a Meeting

Starting an NA meeting can be relatively easy. NA meetings may vary greatly in structure and format, however, there is always one constant: They are started so that the NA message of recovery can be carried to the still-suffering addict in the most effective way - addict to addict. If you are an addict, thinking about or planning to start a meeting, please review the Group QuickStart Guide at:

<https://www.na.org/admin/include/spaw2/uploads/pdf/servicemat/Group%20QuickStart%20Guide.pdf>

- I. The August 2023 Public Relations Subcommittee meeting was held on Monday, Sept. 25. This was a virtual meeting. The meeting opened and closed with the “We” version of the Serenity Prayer. Regular Subcommittee meetings are held on the 4th Monday of each month on Zoom at 6 pm.
- II. **Space for NA meeting in East Baltimore:** 619 North Collington Street (East Baltimore) – New Mt. Olive Baptist Church. Space available on the second floor, Tuesdays 4:30 to 6:30 (for a 1 hour meeting from 5:00 pm to 6:00 pm). Contact Rev. Tel: 443-754-9757.
- III. **New Meetings:**
 - i. School of Recovery: 6:30 pm on Fridays is not an active meeting. Host members are looking to reset the day and time for the meeting at Forest Park Senior Center, 4801 Liberty Heights Ave.
 - ii. H&I Meeting Requests:
 1. Phoenix Behavioral Health
 2. Refined Life Solutions
 3. Dream Life Recovery Program
 4. Beyond Health Care

Working with H&I to schedule meetings with program administrators.

IV. **PR - H&I Workshop**: This Saturday, Oct. 7th from 12-1:00 in conjunction with Special Events. This and future presentations will continue to encourage members to take part in Area service.

V. **Upcoming Events**:

- a. FSRNA held off paying the registration for the Tuerk Conference because this year's event is virtual. Our experience with a virtual Tuerk Conference in 2021 wasn't very positive. Very little attendance; not worth the cost of registration.
- b. FSRNA is planning a region-wide event focused on presenting the NA message to health care professions. This idea came from the Westside Area and is being embraced by Regional PR. More information to come ...

Gratefully–In Service,

s/ Miles M.

Baltimore Area Hospital's & Institutions Subcommittee of Narcotics Anonymous October 2023 Report

Greetings BASC from the BASC H&I Subcommittee ~

Facilities Needing Support:

- CMDS (Women's Facility) needs Alternate Coordinator meets Sunday 4-5 p.m.
- Gaudenzia (Coed Treatment) needs Alternate Coordinator & Woodland Men's Long-term Treatment) needs Alternate Coordinator and 2 rotating Panel Leaders
- Northwest Behavioral Health Units (Coed) needs Alternate Coordinator and 2 Panel Leaders
- Passionate Hands (Coed Behavioral Health Treatment) Alternate Coordinator

At **the last subcommittee meeting held on September 23rd** the attendance and participation increased (Thank you)! Turke House (Coed Treatment) Chair wasn't present, and Bayview's Coordinator and Alternate weren't present however called after the meeting and received a summary of the meeting and was asked to send the Status report of Bayview to the committee email address.

Several NA members that were currently serving or had previously observed by sharing their experience, strength & hope were voted into that service commitment as panel leaders, alternate coordinator as well as secretary of the subcommittee.

We have asked the Web servant to add a few items to the H&I tab on the BASC Website re: Policy & Guidelines (which includes the role and responsibilities of the each of the service positions within the H&I subcommittee), H&I Basics Survey (DEADLINE March 31, 2024).

*As per **the suggestion received from WSO** (World Service Organization), this H&I survey is intended to help create new resources for H&I service. Our current vision is to have three H&I Basics-one focus on corrections, drug courts, and sponsorship behind the walls; another focus on carrying the message into treatment facilities; and one more on H&I committees and their function. We are open to wherever the fellowship input leads us but wanted to give you an idea of how much we see there is to do.

We need and want your help to revise our H&I resources to illustrate the range of current H&I experience. (The survey can be answered individually or by H&I subcommittee members)

Next steps in the PR/Hi process of meeting with new facilities:

- Phoenix Behavioral Health (Detox)
- Refined Life Solutions
- Dream Life Treatment Center
- Beyond Healthcare

Freestate Region Phonenumber Report

Greetings to all,

I hope everyone had a good month of September. We did better with the rejected calls and got our percentage missed down by half of the August numbers. I'm asking all chairs and area reps to check in with the volunteers in your area, PLEASE. Let them know if they have something come up to let you know in advance if possible. You can then let me know and I'll deactivate them for that shift. We don't need someone ill or having personal issues having their phone blown up then possibly rejecting the calls. Happy volunteers are more likely to continue being of service in my opinion. I'll be training a new volunteer here in the Bay Area this week so 1 of these shifts should get filled.

ANY NEW CHAIRS THAT DON'T CURRENTLY HAVE A SHIFT PLEASE CONTACT ME. KRISTINA M. OR MYSELF CAN GET YOU TRAINED AND HELPING WITH CALLS. WE DESPERATELY NEED YOUR HELP.

The following shifts are open:

Sat 11p- Sun 730a- 2 shifts (CRITICAL)

Sun 1p- 5p- 1 shift

Sun 8p- 11p- 1 shift

Mon 11p- Tu 730a- 2 shifts (CRITICAL)

Fri 1p- 5p- 1 shift

YAP NUMBERS FOR THE MONTH OF SEPTEMBER

86- total calls

26- volunteer rejected

15- voicemails

11- actual missed

7.5% missed for September

Please feel free to call or text me anytime I may be of assistance. Open communication starts with me. I will do anything I can to help things run smoothly. I'm also attaching the newest revision Phonenumber handbook. It has corrected answering procedures and the suicide hotline number is updated. We also added the text number for veteran suicide hotline as well.

Our next Region Phonenumber Subcommittee Meeting will be,

9AM Saturday, October 14th 2023 Meeting ID: 848 7397 9898/Passcode: phoneline

I strongly encourage participation at the meeting if you are able. I can't help if I don't know what needs attention. If you're unable to attend please email your area report before our subcommittee meeting if possible.

Region meets at 11AM the same day if you want to join in.

Volunteer Information Booklet

Revised 08/30/2023

INTRODUCTION

First Interaction with Narcotics Anonymous

A call to the NA Phonenumber may be someone's first interaction with Narcotics Anonymous. These calls are vital; this call can make a major difference in whether or not an addict makes it to an NA meeting. **We need to respond to callers in a way that makes them feel like they matter.** We can encourage volunteers to bring all their experience and all their public relations awareness to this important service opportunity.

PHONELINE VOLUNTEERS

A Phonenumber volunteer is a member of Narcotics Anonymous whose primary objective is to answer phone calls from people who call our hotline and help the caller to the best of their ability. They will bring all their current knowledge of the local areas, give out meeting recommendations, coordinate twelve step calls, give out referrals to local services or just give someone some time and listen to the caller's needs.

A Phonenumber volunteer will probably be the first person that an NA member will be in contact with. The response and attitude of a volunteer can have a lasting impression on the caller. This is a service position of great responsibility. Experience has shown that the most successful phone line volunteer possesses certain assets and requirements:

These qualifications include:

- A minimum of 6 months clean time (however, this may vary from place to Place).
- Appropriate training (e.g., group orientation session, personal orientation, Etc.).
- A knowledge of the Twelve Steps and Twelve Traditions of Narcotics Anonymous.
- The willingness to serve.

Shift Volunteers Responsibilities

- Shift volunteers must notify the area chair or the regional chair if they are going to miss the shift or change their phone number, 24hrs in advance or more.
- Shift volunteers who miss more than 40% of the calls in a month period will be removed from the phone line volunteer position.
- Shift volunteers that are on a shift must be available at the time of their shift.
- If you are looking up meeting or referring a web site, use the Free State web site: freestatena.org

- When you answer the call press #1 to answer. Everyone on the shift rings at one time. You may hear a message that the call has already been answered. That doesn't count as a missed call.
- When you answer a call, be polite. Thank them for calling the phoneline. State your name and ask how you can assist them. We might be their first contact with NA. we want them to feel welcomed
- If you can't answer the call, ignore call:
- Never give out the name, address, or telephone number of any member of the NA Fellowship. Do not use last names, places of employment, etc.

HANDLING CALLS

Upon receiving a call:

The first thing to determine is whether the caller is an addict seeking help.

- **Calls from Potential Newcomers:** Calls from potential newcomers are, of course, the most important calls received by a phone line volunteer. The volunteer provides a brief introduction of the NA program and explains, in general, what the caller can expect at a meeting.
- **Calls from NA members** are usually simple requests for meeting information. Most members readily understand the need to keep the phone line open for other callers.
- **Calls from non-NA members**, such as students, professionals, or community members are usually requests for general information about NA. These calls can be handled by:
 - o Telling the caller, that an informational packet is available, at an (1) Open NA Meeting, at the (2) Free State Regional Center (<https://www.fsrsc.com>) or (3) on our website (www.freestatena.org/for-professionals).
- **Interested non-addicts** can also be referred to open meetings: www.freestatena.org/meetings
- **If a caller requests a presentation**, special meetings, Literature, activities, etc.
 - o Refer them to the Public Relations Committee
 - o Either email the caller's contact info to fsrnapublicrelations@gmail.com, or give the caller the email address fsrnapublicrelations@gmail.com.
 - o Never make these types of commitments on your own.

Twelve Step Calls

If the Phoneline volunteer feels the caller needs more help, they should refer to the local area twelve-step call lists. This is when a person needs to talk to someone at length, needs a ride to a meeting, or needs someone to go to their location.

- The phone line volunteer tells the caller that someone will contact them after this call.
- The phone line volunteer explains, to the caller, that all information is confidential.
- He or she asks them for their first name, their general location, and their phone number.
- The phone line volunteer also makes a note of any other pertinent information received from the caller in as short a time as possible.

- After hanging up, the volunteer should refer to the Twelfth Step lists, and call a Twelfth Step volunteer from the same general geographical area as the caller. The information about the caller is given directly to the Twelfth-Step volunteer as soon as possible.
- **The Phonenumber volunteer must tell the caller that it may take a few minutes to get a call back.**
- **The Phonenumber volunteer may want to call the caller back after exhausting all attempts in trying to reach all the 12-step callers in the caller's area; the phone line volunteer may be the person responsible for talking at length with the caller.**

**The twelve step caller should dial *67 before dialing the caller's number, so that their caller id is hidden to the caller.*

Looking up Narcotics Anonymous Meetings

- If you are looking up meetings in the region or area, refer to our regional website: freestatena.org.

Information about areas/regions outside our region (Free State Region)

1. Try to refer the website: <https://www.na.org/meetingsearch/> to the caller.
2. If the caller needs meeting info of a meeting outside our Region (Free State Region).

Try to help the caller. (if you have a computer / Smartphone) look up meetings or hotlines by going to <https://www.na.org/meetingsearch/> Give the caller the number for the hotline in that area.

People looking for Treatment Referral information

When a caller requests referral information:

- Tell the caller, "NA is not affiliated with any treatment center /detox/recovery house/rehab etc."

Then take the following steps:

1. Assist the caller with locating a meeting nearby.
2. Suggest that the caller speak with other addicts at the meeting if looking for suggestions as to where to seek treatment.
3. The Volunteer can refer the caller to:

The National Treatment referral line **1-800-662-HELP (4357)**

4. Strongly urge the caller to attend an NA meeting immediately upon release from whatever facility she/he may choose.

How to Handle Special Calls

The NA Phone Line is strictly for dispensing information about the NA fellowship, Meetings and recovery. The volunteer must always remember that he or she is Only a recovering addict sharing his experience, strength and hope. The volunteer Is not a professional crisis counselor, doctor or psychologist, etc., and does not Have the right to give professional advice. Calls which, in the volunteers opinion, Are beyond the boundaries of Narcotics Anonymous should be quickly and politely Diverted to the appropriate services available.

Suicide Calls

One of the most difficult situations is a call from someone who says they plan to Kill them and it sounds like they mean it. This can often bring a feeling of Helplessness.

- First, say a quick prayer to yourself, ask for guidance and remember,
- If they have chosen to call NA they want to hear our solution.
- Most people who talks about suicide are not going to carry out the act immediately. There is time to talk and begin working on a solution.
- Do not be afraid to use the 12 Step Call List if appropriate.

Psychologists report that the most obvious signs that the situation may be more Immediate are:

- (a) If the caller has a specific suicide plan to carry out, and
- (b) If they have the plan readily available.

You might ask them if they would be willing to talk to someone at the:

National Suicide Hotline number 1-800-273-8255 (or see other helpful numbers page).

Whatever happens, you have done the best you can do. The person most intent on committing suicide probably decided his situation was hopeless long before making the call. Share your experience with another person, your area hotline chair, or at region. We all need your experience, strength and hope to benefit the next caller who needs help.
