BASC CHAIRPERSON REPORT

Good Morning to all GSR's, GSR Alternates and Board Members.

The BASC is still in need of trusted servants. The following positions are open, Alternate Secretary, Policy Chair, Hotline Chair, Literature Chair, Alternate RCM, and Alternate Web Servant. If you or someone you know is interested, we are still accepting nominations.

We are asking for your continued support as we move forward with our new executive body. Last month the executive board agreed to assist in covering the hotline until positions are filled. We are also in need of volunteers to cover the phone lines for crisis calls.

We had our monthly Executive Board meeting where we meet every 3rd Thursday from 5:30-6:45 pm here at the service center. There were some concerns about coming in under prudent reserve each month. This was brought up in a tabled motion last month. In that, during our executive board meeting, we discussed alternative solutions regarding prudent reserve to come to a resolution which will be discussed during old business.

Respectfully submitted,

Stephanie G.

Sixth Concept (Abridged)

Group conscience is the spiritual means by which we invite a loving God to influence our decisions.

. Remember that our basic text refers to conscience as one of those “higher mental and emotional functions which was “sharply affected by our use of drugs.” By applying the steps, we seek to revive it and learn how to exercise it. When addicts whose individual conscious have been awakened in the course of working the step come together to consider service related questions, either in their NA group or a service committee meeting, they are prepared to take part in the development of a group conscience. As we steadily apply spiritual principles in our lives, our decisions and actions increasingly become less motivated by self-interest and more motivated by what our conscience tells us is good and right.

The development of a group conscience is an indispensable part of the decision-making process in NA, however, group conscience is not itself a decision making mechanism. The distinction is that people living spiritually orientated lives pray and meditate before making major decisions. We look to our source of strength and wisdom, and then we look forward and chart our course. If we automatically claim that God has guided us every time we make a decision, whether or not we actually invited God to influence us prior to making that decision, we fool only ourselves. It applies to both, group conscience and collective decision making.

We apply the sixth concept when we listen not just to the words our fellow members speak but also to the spirit behind their words. We apply the sixth concept when we seek to do God’s Will, not our own, and to serve others, not ourselves, in our service decisions. In all that we do, in our groups, our service boards and committees, we invite a loving God to influence us before making service related decisions.

#3	<p>Maker: Baja Son Region</p> <p>To direct the World Board to create a project plan for a Step Study booklet containing questions derived only from sentences in the Basic Text chapter 'How It works', for consideration at WSC 2020.</p>	Yes	No	Abs
#4	<p>Maker: Eastern New York Region</p> <p>To direct NAWS to produce and add to inventory an MP3 digital download of the Basic Text Fifth Edition in Spanish, previously in inventory on audio cassette. By conference policy, NAWS is not authorized to publish a fifth edition once a sixth edition is available. This motion would provide for a one-time waiver of the policy for NAWS until the Spanish Sixth edition is completed.</p>	Yes	No	Abs
#5	<p>Maker: Venezuela Region</p> <p>To approve an NA Service Prayer, utilizing the language that is already in the intro of the Basic Text, substituting the word <i>write</i> with the word <i>serve</i>, including it in the set of posters of the meetings for NA groups, as shown here:</p> <p>"GOD, grant us knowledge that we may write serve according to Your Divine precepts. Instill in us a sense of Your purpose. Make us servants of your will and grant us a bond of selflessness that this may truly be your work, not ours, in order that no addict, anywhere, need die from the horrors of addiction."</p>	Yes	No	Abs

#6	<p>Maker: Eastern New York Region</p> <p>To direct NAWS to produce and add to inventory keytags that reflect the growth of years clean in Fellowship Worldwide; specifically, Granite for one Decade, Purple for Decades Clean and Pink for 25 Years Clean.</p>	Yes	No	Abs
#7	<p>Maker: Northern New York Region</p> <p>To direct the World Board to create a Service Pamphlet (SP) that clearly and simply outlines the rights of groups to reprint Narcotics Anonymous recovery literature covered under the <i>Fellowship Intellectual Property Trust</i> and its bulletins.</p>	Yes	No	Abs
#8	<p>Maker: Northern New York Region</p> <p>To replace the first paragraph under "What kinds of literature should we use:" in the group booklet as follows:</p> <p><u>Original Paragraph</u></p> <p>NA World Services produces a number of different kinds of publications. However, only NA-approved literature is appropriate for reading in Narcotics Anonymous meetings. Selections from NA-approved books and pamphlets are usually read at the beginning of an NA meeting, and some meetings use them as the core of their format. NA-approved literature represents the widest range of recovery in Narcotics Anonymous.</p> <p><u>Replacement Paragraphs (split)</u></p> <p>NA World Services produces a number of different kinds of publications. However, only NA-approved literature is appropriate for reading in Narcotics Anonymous meetings, <i>and then only NA-approved edition(s) of literature that conveys a unified message as the most current edition(s). For Basic Texts, this would be the 3rd Edition Revised and newer. Older editions of our literature as well as approval drafts, while valid in history, and while they carry a message of recovery, all carry a message that in some way or ways contradict our current edition(s) of literature and are no longer in unity with the fellowship's conscience regarding our message of recovery.</i></p> <p>Selections from NA-approved books and pamphlets are usually read at the beginning of an NA meeting, and some meetings use them as the core of their format. NA-approved literature represents the widest range of recovery in Narcotics Anonymous. <i>It is suggested that meetings that utilize older editions of NA-approved literature acknowledge the current editions of NA-approved literature for the sake of NA unity.</i></p>	Yes	No	Abs

Narcotics Anonymous: Public Relations Chair Tony S February 3, 2018

Greetings Narcotics Anonymous Family,

I am grateful and thankful for everyone granting me the opportunity to serve as the Vice Chair of Public Relations. I will perform the duties of Public Relations Chair to the best of my ability. I have been working close with Vice Chair, Patty C, I have been learning a lot from working alongside Patty C. I (Tony S.) have the Public Relations handbook.

We are working together putting public information boards to be displayed in the middle schools prior to meeting with middle school guidance counselor. More will be revealed. There will be a 2-hour presentation and packets made up the students attending the event on February 28, 2018 at the university of Maryland school of dentistry. We have secured our speakers for the event for university of Md. I have been displaying hash tag flyers throughout the community, also their will be hash tag flyers at the reports table and we ask the GSR's to hand them out to homegroups and put them on bulletin boards at dr's office and grocery stores.

Unfortunately, we are unable to rent a table at the B-more healthy expo, because they are requesting a 1,000 dollar to rent a table. We are preparing for March Madness on Saturday March 17, 2018. We are also getting our budget for 2018 submitted. Thank you for allowing us to serve.

Respectfully yours,

Tony S. Chair

**Baltimore Area Narcotics Anonymous
BACNA Liaison Report
02/03/18**

Good Morning and Greetings to the Baltimore Area GSR assembly.

First I would like to apologize for not being here last month to deliver my report and answer any questions you may have had. I had a personal emergency.

As I mentioned in that report, this is our convention year and it is necessary to register for the convention for two reasons, the most important being it will help provide the money to put on the convention. We in the Baltimore Area have our convention every two years, why of which I have explained before, which means we as the members of this area have the obligation to support. To compare, we as members of the Baltimore Area annually make a pilgrimage to Ocean City and support the convention of the C&P Area. The last convention barely made any money, and it was a struggle to do what it did. There is a target of a 1,000 registrations, which doesn't seem so outrageous in the City of Baltimore with well over 1,000 addicts in the fellowship of NA. Latest report we have 255 registrations, that is just $\frac{1}{4}$ of the target. It is time for us to begin to support ourselves!! Speaking of registrations there are tri-folds up front with registration forms. You fill them out and with your \$25.00 mail them to BACNA XIII, P.O. Box 2082, Baltimore, MD. 21203. You can register on line at www.bacnaconvention.org. You can wait and register at March Madness on March 17th. You can do it anyway you want and is comfortable for you, JUST REGISTER!!! Don't forget price of registration increases after March Madness to \$30.00 so do it now!

Another area of interest that needs some clarification is programming, selection of speakers. The deadline for submittal of CD's, etc. was December 31, 2017. The selection process is still ongoing, but will be completed very soon. So if you have a dynamic speaker you feel will deliver a clear message of recovery, please hurry and get in touch with Roger J (609) 638-1514.

Dedicated to Service,

Thomas C.
