Ad-Hoc Committee
Baltimore Area Celebration
August 2025
Monthly Report

Thank you to everyone that supported the committee. We will continue to welcome all those willing to serve.

We have continued to meet bi-weekly and now weekly to make this event memorable and finalize a few things.

“Baltimore Area of NA Celebration Picnic 44 and More”.

September 13th 12 noon to 5pm at Gwynn Oak Park 5900 Gwynn Oak Ave.

We have selected all the speakers except for one female newer member. We are continuing to frequent meetings to meet that goal. If you have any suggestions, please let us now. The meeting will start promptly at 1pm. The topic is simply “How it Was” (the history) by the seasoned members and “How it Is” Recovery Today by the newer member.

I think it is critical to let you all know how Baltimore Area is coming together to support this event. The donations our members are making is phenomenal. We will make you aware of the total amount today. We will also be requesting a check for the balance to pay the caterer.

Our goal has not changed we want to plan a successful event that represents the inclusivity of our diverse area. We want to carry the message, have fun, provide good food and create a relaxed safe environment. We truly appreciate your support!!

Our final scheduled meeting is September 9th at 6pm via ZOOM.

5. REQUESTS AND RECOMMENDATIONS

Get the word out that Area Sub-Committee Chairs and Area Executive Body Chairs, Area Secretaries, and Area Treasurers nominations for 2026 will start next month at the Oct Area service meeting

There are other opportunities to serve in the Baltimore Area of NA. The service opportunity I want to highlight this month, is Hospitals & Institutions (H&I) which, is in need of trusted servants in the following positions: Site Coordinators, Panel Leaders, and Panel Speakers. For information please contact the Chair of H&I Katrina at (443) 255-4891

September BASC Monthly Meeting

My additional recommendation is that GSR's and other participating members draft motions that are based on the NA principal of the NA 12 Traditions and 12 Concepts with the intent to enable the BASC to support the Baltimore Area NA Groups primary purpose.

6. CLOSING REMARKS

When we are engaged in creative action of the spirit, whether in our personal lives, or in our service, we may be surprised by the solutions that present themselves.

POLICY REPORT FOR SEPTEMBER, 2025

Greetings ALL GSRs and Executive Body Members,

Our committee meets on the 3rd Saturday of each month @ 12:30 pm – Virtually. We would like to thank the BASC-Area GSR's for their patience, attendance and participation in our journey. Welcome to all whom care to join!!!!

I would like to begin by stating what Article XV, Sentence 8 says; "To allow the Policy Committee to make needed amendments to Articles & Guidelines for clarity". (3-07/07/12)

Old Business:

When submitting our reports please use the term committee member and not specific names.

We discussed how important it is for our committee to know the history the of A&G and The Guide to Local Service and stay updated with all changes. It was pointed out that there was no policy committee before 2010.

There were some questions about how the executive body 3rd Thursday meeting came about. It was researched and determined that it was a decision made by the committee at time and has been part of the policy since 2010.

New Business:

We discussed how helpful it would be to the committee if we can keep a list of motions that were voted on throughout the year.

It was suggested that the Policy committee keep a list of all motions on hand that have been voted on through out the year. This action is supported by the Guide To Local Service page 58 stating that it can be a tremendous help to keep a regularly updated log of area policy actions to help with any policy questions.

It was pointed out that motion # 2-12062024 stated that incoming executive chairs have a workshop to be trained in their position with the intent to ensure that incoming chairperson understands their position. To our knowledge this has not been done, although the motion was voted on and passed. This is something that the policy committee should address at the Area meeting and this is why it's important to have a list of all passed motions for the year to use as a reference. It's part of the policy committee responsibility to ensure that passed motion are being implemented.

We reviewed the duties of the policy chair and determined that the chair should be submitting written reports to the executive committee meeting on the 3rd Thursday.

It may be helpful if the policy committee do any inventory of the committee to see what's working and what's not working. Things that we can do to make it easier for the next committee that will come after us. We can possibly have a training session on how to create policy and go over the making of procedure policy.

Pressing issues that we need to work on right now:

Create a policy log from January 2025 to current to have on hand.

Motions on the website:

Motions use to be listed in the Area's secretary's report. We can ask the Area secretary to go back to listing the motions as part of their report or come up with other solutions. One solution is for the policy committee secretary to create a policy action log from Jan 2025 to current, and send to policy committee members to review before presenting it to the Area.

Roger:

Roger will not be able to attend the executive body committee meeting in August or the ASC meeting in September due to surgery. Hopefully, someone will be able to represent him at the meeting.

We will continue to review and discuss the Policy Committee regular meeting efforts on
September 20, 2025 @ 12:30pm – Virtually: Meeting ID# 82742496092 pw 949125

We will answer any questions that you may have concerning matters of this committee. We thank you in advance for your time, commitment, and assistance.

Forever of service,

Roger J.

GREETINGS EXECUTIVE BODY AND GSR'S & ALT GSRS

Good morning, everyone. I want to let everyone know that the Phoneline is doing very well, considering that there's no Phoneline Chair at Region any longer. The person that was the Phoneline Chair had to step down due to personal reasons. The admin has stepped down as well. But I still get the openings on the time & days. Although she has stepped down. We still keep in contact with each other. And that's how I know what's going on. Also, I was told that someone went to the region and said that I wasn't coming to the region meetings & that I was doing a poor job as a chairperson. I'm glad that the Regional person was there to defend me. And told them that, that was a lie. That I was coming to the meetings, & that I was 1 of the area's that showed up for the meetings. I said that to say, if that person thinks I'm doing a poor job. Then maybe they might want to step up and be the Chair Of the Phoneline.

Thanks for allowing me to serve

Yours Truly,
Phoneline Chair
