1. **Bus- Transit Signage.** After receiving the financial commitments from BASC at the last Area meeting, from NEFA and FreeState, the Subcommittee began final arrangements for (and designing) the NA bus hut signage. A draft of the bus hut signage is attached.

In addition to the BASC- **Saratoga/Eutaw Street** and the NEFA- O'Donnell Street locations, we were informed that we will be getting two additional locations for bus hut sign placement. For the BASC Area, we discussed placing the second sign at either:

**Westside Shopping Center
Mondamawin
Greenmount/North Avenue.**

2. **Dental School PR Event.** The PR Subcommittee (with support from Craig R. FSRNA-PR) produced a audio-visual presentation for the Univ. of Maryland Dental School. The 35-minute presentation is was sent to Dr. Milinsky at the Dental to run on Feb. 17th – during class segments where students could view the presentation for either required or elective credit. The outline for the presentation is as follows:

3. Personal Stories

¹ *Free State Region participants.

4. FAQs - selected questions and answers, voice overs using:
 5. How to Find NA
-
3. **BmoreHealthy Expo.** This year's BMORE Healthy Expo is scheduled for March 15 – 20, 2021, On-Air at Fox 45 and online at FOXBaltimore.com and BmoreHealthExpo.com. Saturday, March 6, 2020 **BASC Hotline Report**

Total Calls: **109**

Total Incoming calls: **98**

Total Missed calls: **19** (that's 20%~ thank god for voicemails)

Total VM: **10**

Missed calls After VM: **9**

% Missed: **10.2**

Needless to say it was a slow month but we had an ass load of missed calls. Unlike most months, the missed calls were rather scattered among a number of shifts. See the Dec 20 Revised document. I highlighted all shifts that missed over 50% of calls.

Open Shifts:

Monday 8pm-11pm (need 1 more)

Wednesday 7:30am-1pm(1-2)

Wednesday 1pm-5pm(1)

Friday 7:30am-1pm(need 2)

The breakdown:

1. Monday 8pm-11pm - Sean W. (new OG chair) hit the ground running and filled 2 of the 3 open slots on this problem shift
2. Wednesday 7:30-1pm had some swapping of shifts in December (Tom G NEFA assisted)
3. Wednesday 1pm-5pm had shift swapping, 1 open (Tom G NEFA assisted and added to Wednesday 8pm-11pm)
4. Friday 7:30am-1pm, Erin C reaches out to me every time she misses a call, since she's first in rotation, that means the other 2 on the shift aren't picking up at all. Let's get her some help
5. Sunday 1pm-5pm missed 60% of their calls in December, we just refilled this shift

with new people. Balt, EOB please reach out or we will have to fill these shifts again if January numbers show a similar result.

Please note: if you have volunteers on these shifts, and don't want them removed, reach out to them and let me know what's up. If not I'll just have to remove people as new volunteers step up. Highlighted in the volunteer doc are volunteers set to be removed when replacements are found

The emails in this chain should be the most updated and current contact info for area chairs. Please use these email addresses when sending out regional business and phone line related business. Please use reply all as well so we can all stay in the know on OneBox MACs(moves, adds, changes)

BASC Vice Chair Report

Greetings Executive Body, GSR'S & Alt GSR'S

Due to the COVID-19 homegroups are still doing the zoom. There are a few that are open with limitations.

I attended the 3rd Thursday meeting. As well as the PR meeting, and the H&I meeting, as well as the Special Events meeting. All those meetings were productive. In the PR meeting we discussed the bus idea, in H&I we discussed their committee positions among other things, and in Special Events we discussed the marathon that's happening on March 13th. Which is next Saturday, hope to see you there. As an Executive Body we decided that the chairperson and I will tag team the Phoneline. We do really need people to step up in service to fill these positions that are open.

Thanks for allowing me to serve
