7) RD Alternate Report: John- In his report (attached), he provided news from the world. The flow of Income is improving. They were able to bring 4 of the 24 furloughed staff back. Regarding the world conference (WCNA 38) a contract was signed with the Melbourne, Australia Convention Center for November 2022. This contract can be cancelled without penalty any time before November of this year. Still unsure if it will be possible to have an In-Person Convention. More details about financial status, expenses, financial projections, WCNA, travel restrictions and straw polls are in the report.

Another excerpt from the report: “Calendar Survey

We are putting together a monthly calendar of significant dates in NA, and are asking for your help. We already have many world service-

related dates, but we would like to include other dates, such as when NA started in different places around the world, when the first convention or service body meeting occurred in your community, or any other milestones you think would be significant to NA as a whole. Please fill out the survey www.na.org/survey with significant dates by the end of August.

We are looking for area-, regional-, and zonal-level dates. Please limit group anniversaries to the first NA meeting in your community. Given how large NA is—we're in more than 140 countries now!—we won't be able to include every date, but we appreciate everyone who fills out the survey”.

There are also some new initiatives at the World in the report such as: **Send a virtual Hug** (can also contribute in memory of someone, for someone's NA anniversary, or even just to send a virtual hug) and the **Switch to Donorbox** for those who are making recurring financial contributions to the world

Unity Day this year will be on September 4. More details at www.na.org/nawsevents.

The Motion now reads “*The Baltimore Area of Narcotics Anonymous moves that the Free State Region of Narcotics Anonymous to donate all funds in excess of Prudent Reserve, Budgeted Items and Earmarks, to NAWS. Maker: Baltimore Mario 2nd Michelle H NW*”. The amendment passed with no opposition.

Hi all,

I apologize for my absence I am on a family vacation. As previously discussed I have created two zoom reoccurring meetings to host regional subcommittee meetings for H&I and Special Events. Special events will be Monday, August 9th at 7 pm. H&I will be Wednesday, August 11th at 7 pm. The links are below.

I am hoping we will be in person soon so that we can resume these live! If it comes up in the regional meeting my view is to go back to meeting in person right away. We have been on zoom long enough, vaccines are readily available to anyone who wishes to get one and let's face it, us addicts are better together, face to face! Wishing you a happy and speedy meeting. See you in August.

In loving service,

NAWS Financial Update

Financial status: Income has been trending upward with dips some weeks. We are currently holding steady, and don't expect income to normalize to pre-pandemic levels until more in-person meetings resume. Given the uncertainty right now, it's not possible to know when that will be or what the future will look like

Expense increases: Four of the 24 staff furloughed or laid off have been brought back to do mission-critical work. We also expect increases in expenses such as raw material costs.

WCNA 38: We signed a contract with the Melbourne, Australia Convention Center for November 2022 that we can cancel without penalty any time before November of this year. We are still uncertain whether we will be able to hold the convention, given the travel restrictions, and the World Board will need to make a decision in October of this year.

WSC 2022

The Board does not have a recommendation or consensus about how to proceed with planning the Conference. Two different discussion groups of the

board are looking into all of the possibilities they can imagine for a WSC. He encouraged participants to send any ideas they have.

Travel restrictions: Currently, the public health situation in each country is different. In some places, right now life is beginning to return to pre-pandemic “normal,” and in other places the virus is completely out of control

Currently, the US is limiting or restricting travel into the country from many places. Conference participants’ countries on the list include Brazil, Denmark, Finland, France, Germany, Greece, India, Iran, Ireland, Italy, Lithuania, Netherlands, Norway, Poland, Portugal, South Africa, Spain, Sweden, and the United Kingdom

It’s impossible to know what it will look like in 10 months, but at present, an in person WSC would be undoable for many international members. It’s important that we think of this globally.

An in-person WSC would mean incurring more than a half million dollars in expenses, with no income to offset it. There may be ways to reduce some of the expense—suggestions have included a hybrid WSC and asking participants to fund their own delegates—but it’s still a significant amount of money that we do not have at present.

Straw Polls

With all of that in mind, some polls were taken, using Zoom’s anonymous internal polling feature. Delegates only were asked to respond to the polls. If a delegate was not present, their alternate could respond. The polls were intended to prepare for future discussions and give us all a sense of participants’ beliefs right now. They

Finances: The financial update projects a profit of about \$26,000 for the next fiscal year, but that’s a projection that doesn’t include the cost of an in-person WSC or travel of any kind.

were not decisions, and they were not intended to set direction. The only exception is deciding whether to add a CP webinar in July.

Question 2 & 3

1. Do you believe an in-person Conference is prudent or advisable in 2022?
Again, we are just trying to take an initial pulse to get a sense of where we all stand.

Yes: 51 (54%) No: 33 (35%) Undecided: 10 (11%)

2. Given the factors mentioned today, do you believe an in-person Conference is possible in 2022?

Yes: 58 (62%) No: 21 (22%) Undecided: 15 (16%)

Question 4

Participants were asked to give their best estimate.

3. If funding to attend the WSC was not available through World Services, would your region or zone still be able to send a delegate?

Yes: 75 (82%) No: 5 (5%) Undecided: 12 (13%)

Question 5

4. Knowing what you know today, do you think you would attend an in-person WSC? Yes: 75 (80%) No: 7 (7%) Undecided: 12 (13%)

Question 6

Participants were asked to answer based on whatever number they consider significant.

5. If a significant number of participants were unable to attend, do you believe it would be possible to have an in-person WSC that was in keeping with our spiritual principles and the reason we gather?

Yes: 35 (38%) No: 40 (43%) Undecided: 18 (19%)

HRP (Human Resource Panel)

RBZ Recommendations

The HRP is asking World Pool members interested in nomination at WSC 2022 to first gain an RBZ recommendation, which is a recommendation from a region, the World Board, or a zone. The data indicate that Conference participants have the greatest confidence in nominees with RBZ recommendations. Since the RBZ process was instituted in 2006, all but two World Board members have had an RBZ and 73% of all of those elected at the WSC have been RBZ candidates.

Nominations from Conference participants

The HRP is also requesting that Conference participants refrain from direct nominations for WSC 2022. The data indicates that the WSC does not have confidence in this process, presumably because these nominees are not evaluated by the HRP. None of the nominees who did not go through the HRP process have been elected since 2002.

These two changes together, RBZ only and no Nominations from Conference Participants, we will ensure that all nominees are vetted by a region, zone, or the World Board before consideration by the HRP. The HRP has not heard any concerns from participants about these recommendations.

Next CP Webinar will be 7/24 from 11-1 (Pacific)

Calendar Survey

We are putting together a monthly calendar of significant dates in NA, and are asking for your help. We already have many world service-related dates, but we would like to include other dates, such as when NA started in different places around the world, when the first convention or service body meeting occurred in your community, or any other milestones you think would be significant to NA as a whole. Please fill out the survey www.na.org/survey with significant dates by the end of August.

We are looking for area-, regional-, and zonal-level dates. Please limit group anniversaries to the first NA meeting in your community. Given how large NA is—we're in more than 140 countries now!—we won't be able to include every date, but we appreciate everyone who fills out the survey.

Send a Virtual Hug

In response to requests from members, you can now contribute in memory of someone, for someone's NA anniversary, or even just to send a virtual hug. If you click the *Send Some Love* option on www.na.org/contribute, after you make your contribution and indicate the occasion and recipient, you will be taken to a page where you can select a card to send to let someone know you have contributed in honor of them or their loved one.

The cards are made possible because we are switching our payment processor to Donorbox

Switch to Donorbox

If you make a recurring monthly contribution to NA World Services, you may have already received an email letting you know we are switching to a new payment processor for recurring contributions. If you don't yet have a recurring contribution set up, you can do so easily through the *Quick Contributions* button at www.na.org/contribute.

The processing on our end will be easier with Donorbox, and in addition to the new cards, there are a number of advantages for contributors:

- ☐ You can contribute in multiple currencies easily.
- ☐ You can use your checking account or a credit card or PayPal to contribute, and you have a range of

options for recurring contributions: monthly, quarterly, and annually.

- ☐ You can pause or change the amount of your contribution at any time.

[?] You can opt to receive an annual report of your contributions to use in your taxes or budgeting. [?] You can choose whether to pay the transaction fees or opt to have NAWS pay them.

We will keep both payment processors for now, but by the end of the calendar year, we hope to be using Donorbox to process all recurring contributions.

This year marks the 60th anniversary of the **Little White Book (LWB)**. Did you know that over the past 20 years, communities have been publishing local stories in the LWB, in accordance with the policy described in *A Guide to World Services in NA*? In addition to the eight stories in the English- language version, 85 more stories are published or forthcoming in 13 other language versions of the

LWB. To celebrate the Little White Book's diamond jubilee, we intend to collect all 93 of these stories in one special edition Little White Book.

The ***Fellowship Intellectual Property Trust*** allows the World Board to bundle, excerpt, and/or repackage NA literature as long as 120-day notice is provided. We have posted such a notice titled "June 2021 Notice for LWB" at www.na.org/fipt. Check it out, and while you are there, watch the *FIPT* video if you haven't already.

Also, don't forget that the last batch of review and input material for the **Spiritual Principle a Day Project** has been posted to www.na.org/spad. It's taken a lot of hard work with the staff furloughs and the inability to meet in person for more than a year, but we are still on target to publish the approval draft in the 2022 *Conference Agenda Report*.

Unity Day this year will be 4 September. Flyers have been posted in English, Portuguese, and Spanish at www.na.org/nawsevents.

Greetings BASC (Baltimore Area Service Committee) from the H & I (Hospitals & Institutions) Subcommittee ~

We participated in all BASC Executive meetings, Freestate Region meeting, Friday H&I Virtual meeting, July H&I Subcommittee meeting and communicated through various sources.

At our **July subcommittee meeting** we've discussed the following: status of virtual H&I Friday and Saturday, returning to Face to Face meetings, Coordinator/Alternate Coordinator roles & responsibilities, PR/HI Cooperation through Outreach, H&I website tab entries, literature report and open discussion which included suggestions, support and items for July subcommittee meeting.

The Pandemic/Delta Variance continues to present challenges. We're continuing to stay informed, safe and apply the necessary safety guidance provided. We've continued to have the Friday virtual H & I Zoom meeting for facilities to join.

We've not seen the facility numbers that could benefit from our service to join us as intended. However, we are looking at our outreach efforts to fulfill our primary purpose ""to carry the NA message to addicts who don't have full access to regular NA meetings (see IP#20, H&I Service and the NA Member).

We're still excited about the growth shown within the subcommittee as several essential service commitments have continued show of interest by longtime and newly introduced members to the subcommittee and to the NA Service structure.

Vacant service positions available Vice Chair (2 years), Alternate Literature coordinator (1 year), Panel Coordinators and Alternate Coordinators (1 year) Panel Leaders (90 days), and Alternate Secretary.

Next H & I Subcommittee meets on August 28th (this is a reoccurring meeting every 4th Saturday) 12:30 p.m.

We need and welcome all ladies. There is no clean time requirement to join a committee. The only requirement is a desire to be of service. I have submitted a flyer with all the subcommittees listed and their meeting information.
