BASC CHAIRPERSON REPORT

Good Morning and greetings to all GSR's, GSR Alternates and Board Members, Happy November,

Thank you for all you do GSR's, board members and trusted servants and your continued support as we strive to give you education and information to carry the message to the still suffering addict as well as keep an atmosphere conducive to recovery. The message is hope and the promise is freedom. We continue to work diligently to operate on a collective and cohesive level for the common good. We will continue to give you quality service as your trusted servants.

As I participated in our monthly BASC 3rd Thursday board meeting, WE discussed some very important and pertinent issues regarding our policy and procedures. We look forward to sharing those ideas with you.

Our 2019 elections are now upon us and we are looking forward to the new year and all that it brings. If you or anyone you know are interested in being of service, nomination forms are placed at the front table. Please seek out either of our Sergeant at Arms on duty and they will assist you. Remember our fourth tradition when choosing and/or accepting positions; "Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants."

We are still seeking suggestions and ideas to bridge the gap between surrounding areas. Please utilize the suggestion box provided. Thanking you in advance for your amazing ideas and insight.

Respectfully submitted,

Stephanie G.

Greetings and welcome to all. Thank you for your love and commitment in your efforts to serve the BASC & the fellowship of Narcotics Anonymous.

Tradition Twelve (Abridged)

Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

Our spiritual foundation is not a question of whether we know each other's last names; it's that we accept each other regardless of who we are and what we have done. Anonymity is the beginning of equality; we allow each other to be members, to recover in dignity, and to carry the message to the best of our ability. The Twelve Tradition describes a fellowship that takes collective guidance from spiritual principles rather than individual personalities. That selflessness is what the Twelve Tradition means by the word anonymity, and it is the spiritual foundation on which NA is built.
