BASC CHAIR MONTHLY REPORT

6. REQUEST AND RECOMMENDATIONS

- The GSR's from their home groups discussions get input for the following Area's inventory questions in preparation for next month.
 - a) How well has the area committee done the first 6 months of this year at serving the *groups*, and how can it better serve them in the coming remaining 6 months of this year?
 - b) How well has the area committee served the larger *community*, and how can the committee better serve the community-at-large?
 - c) How well has the area committee done at supporting NA's regional and world services? How can the area provide better support for these services?
- A substantial amount of preparation is required on everyone's part for an effective area inventory. GSRs, executive body members, and subcommittees chairs must take a fearless, searching look at their work the last 6 months of this year and come to the inventory session next month prepared to review their roles on the committee. GSRs should spend time with their groups considering what needs might be addressed by the area committee in the next 6 months of this year and come to the inventory session next month with ideas in hand. And perhaps most importantly, all area GSRs, executive body members, and subcommittee chairs should make an extra effort to prepare themselves spiritually to make the most of the area inventory session.

7. CLOSING REMARKS

- When we are engaged in creative action of the spirit, whether in our personal lives, or in our service, we may be surprised by the solutions that present themselves.

Baltimore area Public Relations subcommittee report

For July's area service meeting I will not be in attendance due to vacation. My report will be done as it should be. The first PR event we were able to put together in May, was good in so many ways. We made some connections, interesting conversations and just another learning experience. People took mostly schedules. A few people took our tools for someone they said needs it. I want to thank Tammy our treasure for the information on Mays event. If anyone knows of any events in the city or certain parts of Baltimore county please inform PR.

Some methods I have been using are cold emails calls and knocks. Surprisingly people have been receptive. I put a few PR emails out to Professional organizations and I'm hoping to make contact. I also subscribed to getting emails from the Cherry Hill community calendar. At Mays event I met someone from, At the house a Park Heights community organization. This is still being worked on.

Part of PR work is working with the criminal justice system. I made a cold call to parole and probation, asking about a literature drop. They were all in. So literature drops have been made to two locations. When we do literature drops I always inform and give an inventory price list so if organizations want to buy literature themselves they can. Next up for literature drops are the funeral homes.

For June, Miles and James coordinated with other areas for Baltimore Pride on 6/14/25. It's going to be held in Charles village from 1pm to 10pm.

Coming PR events TBD
