September 4, 2021 Agenda/Reports

Twelve Concepts

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
 2. The final responsibility and authority for NA services rests with the NA groups.
 3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
 4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
 5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
 6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
 7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
 8. Our service structure depends on the integrity and effectiveness of our communications.
 9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
 10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
 11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
 12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

BASC Public Relations Subcommittee Report

September 4, 2021

The Public Relations Subcommittee met on the 4th Saturday of June (August 28, 2021) at 10:00 am via the virtual meeting app (Zoom). The meeting opened and closed with the “We” version of the Serenity Prayer.

- **Members Present:**

○ Antonio S. (Chair)	○ Ivis
○ Miles	

1. **Sunday, Sep. 12th Event.** It has been requested that BASC PR set up an information table at the church event on Sunday, Sep. 12th on Belair Road. The event begins after church services, from 2 – 4 pm and 7 – 9 pm.

2. **2021 Tuerk Conference.** This year’s Tuerk Conference is scheduled for Sep. 23, 2021, 7:30 am – 5 pm. FSRNA paid for BASC-PR’s registration. This will be a virtual event, using breakout rooms for each participating organization. Baltimore & FreeState will be sharing a breakout room. The deadline for input is Sep. 10, and PR is meeting this week and next to finalize the materials that we plan to use.

3. **New Meeting at Poplar Grove.** A new meeting has been established at the highrise on Poplar Grove.

4. **Clearing House for Existing Meetings that Need Meeting Space.** PR would like to set up a clearing house (matching space) on the BASC website to match meetings (that are now virtual) will physical spaces that are available to host meetings. If your meeting is in need of a space, due to the unavailability of the prior space, we need that information. Likewise, if you know of a physical space that is willing to accommodate an NA meeting, let us know. We would like to help match the two. This should be the priority now, before opening new meetings.

5. **University of Maryland Dental School Presentation.** The NA presentation at the University of Maryland Dental School usually occurs in October. We need feedback from the Executive Committee to know whether its okay to begin outreach to plan this activity.

Meeting Adjourned: Dylan / Daria 1:47pm

Hi everyone,

I ask that you all please bear with me as I step into the Chair position. I feel like it has been hard to facilitate as the vice chair on a zoom platform. Since we are not able to be together and connect in person, it has left out a valuable part of service for me. I am committed to fulfilling my position, but I will need help from the body as we move forward.

I opened the zoom meeting designated for Special Events on Monday August 9 at 6:50pm and left the meeting open until 7:30pm with zero attendees.

If we are not meeting in person, the zoom meetings are still available and as follows:

RCM's please notify the chairs of your area's subcommittees that they are to meet at/before the On-Month Regional Meeting with the chairs of the whole region.

Also please announce that the Free State Region is in need of trusted servants in several positions. It is unfair to make one-person solely responsible for a position that should be shared by two people. There are plenty of able addicts so let's spread the word.

Let us remember the primary purpose and continue in unity and understanding.

Thanks for letting me serve,

Kellie B.

John W AD

The Freestate Region consists of 10 areas covering Maryland, Delaware and Virginia. Many meetings and service bodies are beginning to meet in person or hybrid. Some of our areas are having more success than other re-opening and filling positions. The Freestate Regional Committee could not come to a consensus on whether to meet hybrid or stay on line, so we will continue to meet on line. Our meeting place is open with restrictions. We meet the second Saturday of the month via Zoom starting at 11am. The region will be holding elections in August and all positions are available with the exception of the Delegate team which has another year on their term to coincide with the WSC Cycle. We have not had many subcommittee meetings or reports from regional subcommittees and would like to hear some best practices of regions that are having success with their regional subcommittees. Many of the subcommittee chair positions are open as are some of our executive body alternate positions. The Region has put up billboards rotating throughout our Region in different areas as well as experimenting with QR codes at bus stops around Baltimore and throughout the region. Freestate has been fortunate to have received regular donations from various areas and have been able to donate to the world on a fairly regular basis.

The FSR put forward a motion to be placed in the CAR.

Motion:

To direct NA World Services to remove the Hospitals and Institutions Handbook from the inventory

Intent:

To remove an outdated service manual from WSO inventory

Rationale:

The H&I handbook has not been updated since the 1980's and with our current literature update process, will never be prioritized high enough. We believe a better approach would be to update the Public Relations Handbook Chapter 6 (Criminal Justice) resource section and H&I Basics with more information relevant to current practices and methods for carrying our message that could include using virtual platforms and tools. We believe this will better serve our trusted servants involved in H&I service by providing more current and better tools

The motion has been received by the WSO. We are awaiting a written response from the World Board.

The FSRCA will be held 11/26-28 in person at the BWI Marriott. Registration is open at fsrcna.org.

Pre-registration is \$10 for members with 3 years or less and \$20 for members with more than 3 years.

There will be several eating meetings, bingo, karaoke, comedy show, a dance and much more.

The Freestate Regional will have a 1 hour and 15 minute workshop on Saturday afternoon from approx. 3pm to 4:15. There are still rooms and package deals available.

The delegate team will be attending the Multiple –Zonal Service Symposium from Aug 27-29 in San Antonio.

The Freestate Region will be hosting the next AZF in January of 2022 which will likely be in person. We will be looking for ideas and suggestions from the AZF. The Car report will be out by then so I'm sure our Saturday event will revolve around that.

Thank you for your service

Meeting: Service Work Group

Date: August 12th, 2021

Action Plan 1

A task team will be initiated with the purpose of creating an AZF google drive. This drive will folders set up to contain specific information as well as a common upload folder. All folders except the common upload folder will be download only except by members given admin access. The task team may suggest common places to place a link to this drive such as the AZF website.

Action Plan 2

Statement of Work: A task team will be initiated that will create a strategic planning roadmap that fits the Autonomy Zone. Suggested guidelines for accomplishing this will be given to the AZF with that roadmap.

Action Plan 3

A task team will be initiated that will work to develop and expand the AZF Services Workgroup into a standing AZF Fellowship Development committee. This workgroup will continue to oversee the other project task teams initiated at the same time. It will actively seek ways to improve on its function and actively seek opportunities for collaboration, engaging service workshops, and mentorship. Guidelines will be presented by the January AZF to make this effective moving forward.

Action Plan 4

Task team will be initiated to explore collaboration within existing resource pools in the eastern US zones. This team will need to develop a process, map, and guidelines for how the Autonomy Zone will interact and fit within this resource collaboration.

ISSUE 1: Lack of coordination and communication with and within the AZF +5

ISSUE 2: Service delivery inconsistent or lacking in some areas and regions +7

AZF Web Site – Kim

All information with regards to the website domain registration and hosting has been moved to the AZF Google Docs account with Rob and Kim having been given access.

Since we last met, I submitted an invoice from Webmastery.Org to treasurer@autonomyzonalforum.org July-June (12 months) domain registration (\$15.00) charges.

Updates made to the website include the following.

BMLT was added to the website which means our website now has listings for all meetings within our zone. I personally found this very helpful when I was trying to access meetings outside of my area and weren't sure which region the meetings were in!

I uploaded the minutes the secretary forwarded.

I updated the next meeting information

I uploaded new events (and flyers) as they were sent to me.

I feel there are a few outdated links on the website. If the tech team proposal passes today, I hope these can be looked at.

Discussion

Increase voting participants – Clarence

I believe the ADs should have a voice at the zone, regardless of whether the RD is present or not. I do not see how having the ADs have a vote will affect us. If just allows us more information

STRAW POLL- RDs and RDAs to vote, 3 in support

DECISION-Failed

Proposals –

Communications Task Team has 3 proposals:

1. Create a standing Technology Team and approve the proposed guidelines
2. Create a social Media Account on FB, Instagram, and Twitter. (ITT would not create the messaging)
3. Create/ enact a self-messaging service and put a link to it on the website

Reactions

RECAP/DECISION: Some hesitancy on voting on this today, bring input to Kim and continue the communication team and discuss that again at our next zonal meeting. Take this back to the regions, allow the team to continue to meet, and bring it up as old business for the next meeting

Financial Planning for our next meeting, which will be face-to-face

Zone will help out with expenses. Not sure which part of the financial process the Zone will cover.

Freestate would contact the area which would host the event.

What was the discussion about the Zone helping out financially? No determination, but in the budget line it includes assistance.

Discussion regarding the budget from the AZF, some members are unaware of this information on page 6 of the updated guidelines.

We have to show some benefit to participating in supporting the zone financially, since we are fully self-supporting. We want regions to contribute to the zone when they earmark money to the two-day event. Just make a contribution to the zone.

Instead of each region hosting, we want the zone to be the host. It is a zonal event.

Need direction how to move forward with our next zonal forum.

Freestate was fine last year with the current zonal budget. The only expenses would be for the RD and RDA attending other zones.

SUGGESTION: Freestate should plan and pay for this next 2-day event, and AZF can take responsibility for the next zonal forum (to be held July 2022).

Proposal to not redact email addresses from the archived minutes

This should be a secretarial duty to redact or not to redact email addresses X2
webservant wants an across the board decision

3 RDs in favor, 1 stand aside. 3/4 is consensus not to redact email addresses

DECISION: We will redact phone numbers, and leave in the email addresses.

Take a look at hosting a US Zonal meeting: Yes, approved by AZF.

Upcoming AZF Schedule

Next meeting will be held virtually September 20, 2021 @7:00 pm

- January 29, 30 2022/ Freestate
- July 30, 31 2022/ Greater Philadelphia

CP Web Meeting: Planning for the next WSC

July 24 2021

The July 2021 Conference participant web meeting was added as a result of a poll taken at the June CP meeting asking whether participants wanted to add another web meeting in July to discuss plans for WSC 2022. This meeting focused exclusively on the recommendation report the board had posted to the Conference page (www.na.org/conference). That report is attached at the end of this document as a reference.

There were approximately 215 attending the web meeting, including 13 World Board members, 9 former board members who helped with small group discussion, 5 interpreters, 11 NAWs staff members, the 2 WSC Cofacilitators, 4 HRP members, and 171 delegates, alternates, and zonal contacts

What is essential?

By essential we mean the business that cannot be postponed because of policy or law.

- budget
- trusted servant term limits
- FIPT-related
- Agreeing to a virtual meeting in 2022 and an in-person WSC in 2023 if possible

Recommendation Summary

The board recommends postponing the conference until 2023, and doing only the business that is necessary by law or policy virtually in 2022. Things like passing a budget and making motions to postpone elections and continue the FIPT moratorium are necessary to do in 2022. The only other item the board is recommending be addressed in 2022 is the vote on the Spiritual Principle a Day Book, because the draft will be completed.

Alternative Suggestions

A lot of Conference participants have already given input about the board's recommendation. Some have suggested holding an in-person WSC for those who could come and allowing virtual connections for the rest of the participants. The board does not recommend that approach. If some members were in-person and a substantial number of others joined virtually, that would create a divide in participation, and the divide would likely be along international lines. Some participants would be in the same room.

Small-Group Discussion

The meeting then broke into 15 small groups (the most ever!) for about an hour of discussion.

- 1) Given that the WB does not believe that an in-person WSC is feasible in 2022, is this the most reasonable approach?
- 2) Is anything missing?

Next CP web meeting: 21 August, 11–1pm, PDT

Open web meeting: 4 September
