BASC CHAIRPERSON REPORT

Greetings and Happy New Year's to everyone. I pray everyone had a safe holiday. I am looking forward to being of service. However, moving forward we will continue to keep the outline of business as previous officers. We are not looking to reinvent the wheel.

This past month I attended the H&I Learning Day. There was a great turn out and very informative despite the inclement weather conditions. I also attended the Free State Regional Area Meeting. I am excited about our area and the Region bridging the gap and building a stronger rapport.

In closing, the 8th Concept states that our service structure depends on the integrity and effectiveness of our communications.

Respectfully submitted,

Stephanie G.

BASC Chairperson

Greetings and welcome to all. Thank you for your love and commitment in your efforts to serve the BASC & the fellowship of Narcotics Anonymous

*The final responsibility and authority for NA services rests with the NA groups.
(Abridged)*

The NA service structure has been created by the groups to serve the needs of the group. Our fellowship's service boards and committees exist to help groups share their experience with one another, provide tools which help groups function better, attract new members to group recovery meetings, and to carry the message further than any single group could carry it alone. Because the groups have created the service structure, they have the final authority over all its affairs. By the same token, the groups also have the final responsibility for the *support of all* its activities. The two go hand in hand.

In the spirit of our 2nd concept, our groups bear great responsibility and authority to provide the resources needed to fulfill NA services (conscience, ideas, people, and money). Our group's vital resource is our elected GSRs, who are responsible for the conscience of the group.

It has been said that ten percent of the people do ninety percent of the work in NA, but we believe that we can attract more members to get involved. In our efforts to effectively carry out the tasks assigned to our positions, we are seeking the groups support in filling the BASC open positions. Right now the following positions are open- *PR chair/ vice chair, Alt. Secretary, Alt. Web Servant, Hotline, Policy chair/ vice chair*. Our goal is to fill these positions but we need your participation in order that we continue to carry the message and to make recovery possible for all those who seek it. *GSR's please inform your groups of these positions. Also, we suggest that all GSR's join a subcommittee.*

Principles & Leadership in NA Service (Abridge)

Supporting those who serve

When we choose trusted servants, we share in the responsibility for the job those trusted servants perform. As a service body, we must be willing to honestly assess members we select for leadership position, and equip them with the tools and support they need to be successful in their roles. It is important that we select leaders who commit to helping those who follow them...

In supporting those who serve, I am suggesting that the BASC reconsider Pattie to continue as acting chair for PR. She is willing to provide guidance and mentorship to me, as I will fill this position until a person is voted in as PR Chair.

**Baltimore Area Narcotics Anonymous
BACNA Liaison Report
01/06/18**

Good Morning and Greetings to the Baltimore Area GSR assembly.

My final report of last year outlined the accomplishments of the BACNA Convention Committee in 2017. This is a new year and is the convention year. We have more hills to climb, more tasks to tackle, more accomplishments to attain. We ended 2017 on two outstanding events, a speaker jam and the New Years Eve Gala. Both were well attended and moderately financially successful. The speaker jam that was plagued with bad weather on its original scheduled date which caused various adjustments still turned a profit. The Gala whose tickets did not sell out (much like the Sponsor/Sponsee Brunch), still had a decent turnout and managed a reasonable profit considering.

This brings me to this New Year just starting. There will be our annual March Madness on the 17th of March which is the premier fund raising event for our convention (flyers on the table in the back). There are also tri-fold convention registration forms also available. In regard to the number of registrations, they are woefully low. Everybody loves a good convention, but don't realize the work and particularly the money it takes to provide a successful convention. The work is being done by the various undermanned sub-committees of the Convention Committee. You can help there by enlisting to help out. But the just as important is the monies necessary to make it happen. There you and everyone can take a part by registrations. Let's all do our part to make BACNA XIII the best yet.

As always I implore you to come out on the third Saturday, right here at the Service Center starting at 10:30 AM, to lend your hand and help any one of the sub-committees. Try it, you might find there is something you can do and like doing.

Dedicated to Service,

Thomas C.

Web Servant Report. 1/7/18

Good morning family,

I want to briefly introduce myself to you as your new Web-servant , Franklin G. as you know I have some big shoes to fill, as our outgoing Web servant Lukas K., who by the way has done an excellent job serving in the position and has prepared me to step into the Web servant position as smooth as possible.

Over the next few months I ask that you be patient with me, for there's still much for me to learn, and I look forward to the challenge, and if there are any suggestions you have for me please feel free to contact me.

Thank you for allowing me to serve

Franklin G.
