1. OPENING REMARKS

- We are grateful for the GSR membership accepting the revised the BASC meeting agenda, which resulted in the meeting adjourning early with all area business being conducted.

2. ATTENDANCE AND PARTICIPATION

- I attended the BSAC Executive Body February 2025 monthly meeting.
- Sub-committees Chairs and Executive Body Leadership were in attendance.

• The diversity of our fellowship continues to challenge me to focus my efforts on this new service commitment with increased compassion for the work that this leadership role requires to meet the expectations.

5. FINANCIAL REPORT (if applicable)

- I have a concern with the financial management and fiscal oversight of Area funds, for instance, the ability to understand the attended use of Baltimore Area funds when they are being distributed to sub-committees, (i.e. itemized plans of expected expenses to reconcile with when receipts are returned)
- No oversight on fiscal responsibility of distributed funds as an account authorized signer

6. GOALS AND OBJECTIVES FOR NEXT REPORTING PERIOD

Public Relations subcommittee 2025

Chairperson: Craig F.

Vice chair: Miles M.

The Narcotics anonymous message is "that any addict can stop using drugs, lose the desire to use and find a new way to live. Our relations with the public enable us to share this message broadly so that those who might benefit from our program of recovery can find us. We perform public relations service to increase the awareness and credibility of the NA program. We share our message openly with the public at large with prospective members and with professionals. Public relations work is to improve our relationship with those outside the fellowship. Public relations duties and responsibilities and further our relationship with the general public, with law enforcements, addiction professionals, churches, schools, outreach centers, hospitals and local community establishments. Our function is to let people know NA exists, my plan to carry this out is with schedules and IP's.

The PR budget was submitted by Miles. I am submitting a revision to that budget. I want to use the existing approved 567.00 marked for the bus signage. I want to try a different route of getting to the public as stated by the PR handbook. Everything I do comes from PR handbook. So I hope the GSR's will approve my budget change.

The dental school substance abuse presentation held 2/10/25 went very well. Attended by Miles and Sheldon from the Baltimore area. Joshua from NEFA attended also. Great service work.

The Bmore Healthy Expo 3/8/25 at the Baltimore convention center is a Freestate regional event maintained by the 10 different areas. I will be there to open the expo. The Baltimore area will be taking schedules, IP's and white booklets. Looking forward to this.

The Service workshop is in the process. This will consist of the executive body and subcommittee's. – TBD.

Working on carrying out the 4th concept to the best of my ability.

isn't the correct information. Most of it is. But I was taught differently. A lot of the information is position & not participate. And besides that if any of the volunteers have any questions, at least I we do have openings. And here what's available. If anyone is interested in becoming a volunteer. know what's going on with the Phoneline. Because we meet every other month. As of right now, on the region website. I also became a volunteer. I didn't think it be fair to be a Chairperson of a Region Phoneline Chair. I was taught the correct way. The booklet that I was given to, to go by would be able to answer them. Now, every other month there will be a report to let you guys Please give me a call or hit me up on my email. I will give that information at the end of the I didn't attend the monthly meeting. I was sick. But I did have the training with the report.

BALTIMORE LITERATURE CHAIR REPORT MARCH 2025

March 1, 2025

Greetings,

- a) Depending on the availability and agreement with Special Events, the Literature sub-committee is still willing to conduct monthly workshops either solo as a committee, or with the participation of the Region and/or others areas. Tentatively, the next workshop would be in April 5th at Noon during Special Events marathon, and the Topic: "Gender-Neutral and Inclusive Language in NA Literature". However, we will communicate with special events to know if the workshop is possible.
- b) The Literature sub-committee is currently planning a new initiative which is to write the history of NA in the Baltimore area, from it establishment to date. We are at the planning phase of this project. We are looking to conduct interviews with the old timers of our area, and to gather copies of any old relevant documents such as schedules...
- c) There is a change in the Together We Can Regional Newsletter editorial board meeting to match the frequency of the issuance, which is every other month. The editorial board will now meet every other third Saturday of the month (odd months), noon at Time Printers, next door to the Service Center. This is a hybrid meeting. The online Zoom access, ID # is: 82543270736, PC: freestate.
 - As a reminder, the deadline to submit any publications/announcements/anniversaries, is the Friday preceding the third Saturday of the issuing month (next one will be March). There is a drop box at the Service center to collect submission documents. When you submit do not forget to attach the release form which can be found in any published newsletter.
 - We also discussed at the regional meeting to resume the printed publications of the Newsletter to be financed by the Region. Time printer submitted a quote which is attached to the report. More info to come.
- d) Useful link at na.org. NA world services hold quarterly webinars open to all members on topics of Fellowship interest. The most recent one was Helping Addicts Find Us August 2024. Others

WEB SERVANT REPORT

Feb 17, 2025

Web Servant: Walter P

Reporting Period: Month of February 2025

Greetings,

This month I continued to upgrade the Baltimore Area Website (https://baltoareana.org). I obtained a copy of the Special Events flyer from Time Printers and March Madness flyers from our BACNA Liaison and added them to the Upcoming Events page on the website. I also updated the BASC Committee pages to reflect our current suite of Trusted Servants. As I receive accurate information about Zoom.com logon credentials for the committee meetings, I am updating those pages also. Lastly, the committee and chairs and alternates email addresses need to be updated on the website as I get that information. I can be reached at bascwebservant@yahoo.com.

I have acted as a technical support for the policy committee. We've been working on making the GSR Handbook and Articles and Guidelines editable and searchable documents. I sat in a meeting with Time Printers and Policy committee members to resolve the issues successfully.
