CHECKS OUTSTANDING

[illegible]

TO PROVE BALANCE
AS SHOWN ON
YOUR STATEMENT

1. Deduct all bank charges from your checkbook.
2. All checks issued from your personalized checkbook are posted numerically (as issued). Sort your checks numerically.
3. Check off on the stubs of your checkbook each check listed as paid by the Bank and make a list of the numbers and amounts of those still outstanding in the spaces provided at the left. Be sure to include all checks still outstanding from your previous statement. To the sum of the outstanding checks add the balance as shown in your checkbook.
4. List below all deposits which do not appear on the statement and add to this total the balance as shown by the statement.

The two results should agree and if so, this statement as rendered is correct.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days (or more than 20 business days for an error occurring within 30 days after the first deposit was made to the account) to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

YOUR DEMAND DEPOSIT LOAN ACCOUNT SUMMARY OF RIGHTS IS OUTLINED BELOW

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing error notice.

Your Demand Deposit Loan Account is operated in conjunction with your Demand Deposit Account. Any charges for your checking account will be made to the Demand Deposit Account and they will be the same charges as are made for Demand Deposit Accounts not operated in conjunction with Demand Deposit Loan Accounts. The following information applies only to loans made to you under your Demand Deposit Loan Account line of credit.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR DEMAND DEPOSIT LOAN

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address located on the front of this bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- (1) Your name and account number.
- (2) The dollar amount of the suspected error.
- (3) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any money in question while we are investigating. But you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

We figure a portion of the **FINANCE CHARGE** on your Demand Deposit Loan Account by applying the "average" daily periodic rate(s) to the "Daily Balance" of your account for the billing cycle. To get the "Average Daily Balance" we take the beginning balance of your account each day, add any new advances, and subtract any payments or credits and unpaid **FINANCE CHARGES**. This gives us the daily balance.

The minimum periodic payment required is shown on the front of this bill. You may pay off your Demand Deposit Loan Account loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid FINANCE CHARGES, and then to the principal loan balance outstanding in your Demand Deposit Loan Account. Periodic statements may be sent to you at the end of each billing cycle showing your Demand Deposit Loan Account: loan transactions.

Send payments and inquiries to address shown on front of bill.

NOTE: Payments received after close of business shall be deemed received on the following business day for purposes of crediting your account.

CHECK 21 NOTIFICATION

If you request the return of your original checks you may receive a "Substitute Check" in response. The Substitute Check is the legal equivalent of an original check and you have rights that apply when you believe, in good faith, that a Substitute Check was not properly charged to your account. Contact your branch or call the number on the front of this statement to request a Check 21 disclosure.

IMPORTANT: Every statement should be checked with your own records. If no errors are reported within 60 days, your account will be considered correct.

RCM MONTHLY REPORT
Baltimore Area Service Center of Narcotics Anonymous
217 N. Warwick Avenue
Baltimore, MD 21223
July 1, 2023

Hello Service Committee Members.

RCM Report, 7/1/23. Hello Baltimore Area service committee members. I hope all is well. This is the Free state Regional on month report. The regional meeting was held on 6/10/23, 11pm at the Free state Service Center. 6 areas were present including RCM 1 and 2 of the Baltimore Area.

A straw poll was taken to move the date of the predatory and disruptive behavior to July 29th in conjunction with Zonal. The poll passed. Peggy S volunteered for Literature Chair for Regional. All RCMs in attendance voted unanimously. Peggy S is now the new Literature Chair for Regional. Randy K volunteered for RDA. All RCMs in attendance voted unanimously. Randy K is now the new RDA. Motion was passed to table Policy Ad Hoc Committee's policy update motion. Motion attached.

Still have schedules that have not been picked up. The remaining schedules will be shared evenly amongst present RCMs. Decision came about by motion. There was a motion to have an email list made of all RCMs and Regional Committee Chairs. Motion passed.

RD Report: NAWS Update; A special edition of A Spiritual Principle a Day is now available for purchase at \$35. The first week of June every year is PR week. A week dedicated to PR activities and raising awareness about PR service within NA. Send us photos of your communities PR events: pr@na.org, also for more information please visit the PR's page on the free state regional website. French (Canadian) is the latest language to join the online collection of audio basic texts. We also have an Arabic, English, Hebrew, Hungarian Portuguese, Brazilian, Russian, Spanish, and Thai posted. You can download or stream all nine versions for free at www.na.org/audio. The next World Convention will take place in Washington DC from the 29th of August to September 1st, 2024. They are not sure when the convention will go on sale, but they know it won't be before the last quarter of this calendar year. At the July 29 autonomy zone a forum, they will hold a workshop on disruptive and predatory behavior in addition to the WSC summary. The RD made the decision based on our regional calendar to not hold the workshop on June 24 because there were multiple events being held that day.

Changes to the policy for approved motions submitted by Policy Ad hoc committee on June 10, 2023. The page numbers are based on the document dated April 2023.

Once approved the Policy document will be updated with a new effective date.

TWO items that affect Free State Region in general:

- These Guidelines may be changed at the discretion of the Free State Convention Corporation Board

of Directors. All changes must be reported to the Free State Regional Service Committee. • This first bullet reads the same in the guidelines dated Oct. 2022

- The board is responsible to have an annual audit conducted of the corporations' financial records. It will present the auditor's findings to regional participants within thirty days after the board Meeting at which the audit is presented. The audit will be conducted by an independent certified public accountant or independent qualifies personnel.
- I cannot find this specific wording in the guidelines dated Oct. 2022.

The wording noted in our policy was taken from the Convention Corporations guidelines that may have been updated and/or changed. To prevent any further confusion on wording due to updates, this section needs to be deleted.

Page 12: Section noting Financial Report (of the Convention Corporation)

Financial report:

RCMs should be sure to ask for a report after the Convention, as per above guidelines of FSRCA.

Typically, the Region will see report within 30-60 days of Convention.

To request monthly financial report from the Free State Region Convention Committee /Board to the Free State Region Committee. (04/13/19)

To Read:

(Convention) Financial Reports:

Prior to Convention:

The Convention Corporation representative begins to give a monthly financial report (status of registration numbers with amount, and any concerns they have) beginning in July prior to the convention itself. The report can be emailed to the secretary for the off-month meetings, but a written report is submitted for the full regional meeting.

After the Convention:

The Convention Corporation representative will provide the Free State Region with a final financial.

report of that year's convention per their internal guidelines of timeline and independent outside audit review. This is requested to be presented at the full regional meeting immediately following the completion of the report.

This motion does not include anything regarding the subcommittees of the region.

- Free state Convention Committee report: The board members are reminded to keep posting their committee meeting information to social media dates and times for meetings. pic of artwork to submission dates. They discuss the next steps for registration. Also, in the process of setting prices for registration and food. They also need a volunteer to make a flyer. It will be easier to post to social media.

H&I: The H&I subcommittee meeting was on June 7, 7pm. Still some confusion about when the regional H&I regional committee meets, they will probably have it iron out in a few more months. Present were Charvette B. and Angie both from the Baltimore area. Asked and received list of facilities that each area has H&I meetings, mostly everything is covered. Baltimore areas looking for six panel leads, and Bay Area has a few openings for panel leads. Shared a list of facilities to possibly have cross area participation in the future. Had a couple of long conversations with JCI Jessup correctional institution to try to get meetings into the facility, asked adjacent areas if they can take meetings into JCI and it looks like West side will investigate it. The H&I subcommittee next meeting is Wednesday, August 2, 7pm.

This concludes my monthly report.

BALTIMORE CHAIR REPORT

July 1, 2023

“Every NA group ought to be fully self-supporting, declining outside contributions.”

Tradition Seven

Good morning, everyone,

I attended the Executive body meeting on Thursday June 15, 2023.

Following acceptance of last month ad Hoc committee recommendation and subsequent motion made by the GSRs, an accountant was hired to do the financial audit. His name is Mark D, and he was introduced to the area earlier today. He is being recruited as a special worker in accordance with traditions six and seven. He promised to submit interim progress reports on the findings, regularly before the final report.

I am pleased to report the letter of Intent was signed by Verlie on June 21, 2023. The last payment received was the \$350 back in May 28, 2023 which was included in last month report.

For the sake of transparency, we have started to implement some changes to the treasurer report. We have added the latest bank statement to the report.

We will keep working to reach the bottom of this situation.

While this unfortunate circumstance is being addressed, the conduct of others businesses at the area is still being done. As usual we encourage the GSRs to join one of the sub-committees and to actively participate in the various activities that are set forth by the body. The website (baltoareana.org) is also a good place to visit for members to keep inform about the activities at the area.

In loving services,

Mario A
